TO MOTHERS.

WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK.

I, DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "PITCHER'S CASTORIA," the same that has borne and does now bear the fac-simile signature of *Chas. H. Fletcher* on every wrapper. This is the original "PITCHER'S CASTORIA," which has been used in the homes of the Mothers of America for over thirty years. LOOK CAREFULLY at the wrapper and see that it is the kind you have always bought and has the signature of *Chas. H. Fletcher* on the wrapper. No one has authority from me to use my name except The Centaur Company of which Chas. H. Fletcher is President.

March 8, 1897.

Authorities at Washington Pleased
With the Sagasta Cabinet.

EFFECT ON CUBAN PRISONERS

State Department Reticent, but It Is Said Spain Will Offer Autonomy to Cuba Similar to That of Canada-Mexico Capote, the New Cuban President, Favors Compromise.

WASHINGTON, Oct. 5.—One result of the formation of a Sagasta cabinet in Spain, it is believed, will be the granting of amnesty to most, if not all, the American prisoners held in Cuba and the pardon of many Cubans condemned to imprisonment in the Island of Ceuta. Pending the completion of the Sagasta cabinet there have been no official information that such action will be taken, but it is said to be a natural and necessary part of the new Spanish policy involving the withdrawal of General Weyler and the adoption of more conciliatory plans. The competitor prisoners, it is expected, will be released early and Miss Cisneros also.

Although there is continued reticence at the state department concerning Spanish-Cuban affairs it is under-

PREMIER SAGASTA.

stood that the government has been informed that Spain will offer autonomy to Cuba similar to that enjoyed by Canada, and in administration circles the prevalent opinion seems to be that if a full measure of real autonomy is offered it should be accepted by the Cubans. The incoming of the Sagasta cabinet, which several weeks ago was apprehensive of a possible early disturbance of our friendly relations with Spain.

The statement attributed to the new premier that he would favor the largest measure of autonomy, has directed attention to the past efforts toward autonomy. Those offered by the Conversation cabinet, and made known to the United States through the Spanish Minister, contemplated a council of administration elected in part by the Cubans, which was to have an advisory power in shaping the affairs of the island. The objection found to this plan was that while it was in name autonomy, it did not give real home rule, as the Cuban council was not to be a legislative body, but merely an advisory council.

In contrast with this, it is said, that the Liberal plan of autonomy contemplates a colonial parliament or legislature, with final powers of law making, save the usual power of veto reserved in all forms of constitutional government. This would be on the lines of the home rule operating in Australia and Canada. In this connection it is understood that the newly chosen president of the insurgents, Mendez Capote, is a man of conservative tendencies, and during a visit to Washington some months ago is said to have expressed views favorable to a close of hostilities on some fair basis of compromise.

New Spanish Ministry.

MADRID, Oct. 5.—The new ministry is constituted as follows: Senor Sagasta, president of the council of ministers; Senor Gullon, minister for foreign affairs; Senor Grotzard, minister of justice; General Correa, minister of war; Admiral Bermejo, minister of marine; Senor Puigcerver, minister of finance; Senor Capdepon, minister of the interior; Count Xiguenta, minister of public work; Senor Moret, minister for the colonies. The ministers, after an informal meeting, proceeded to the palace and took the oath of office.

WAR NO BUCKETSHOPS.

Dayton Police Ordered to Close Them. Operators Will Fight.

DAYTON, O., Oct. 5.—Chief of Police Farrell has declared war against bucketshops in this city and announced that all places that are not in direct communication with the Chicago board of trade must go. There is but one shop of that kind here. The four other establishments claim to act as agents for Cincinnati brokers and insist that their business is legitimate. They have announced their determination not to close. J. E. Johnson, one of the proscribed, flatly told the chief that if compelled to quit business he intended to wipe out all other forms of gambling in the city. In consequence pokerplayers, crapsplayers and policy men are in a perturbed state. Mr. Johnson is known to be an ugly fighter.

Worst In Forty-Three Years.

NICHOLASVILLE, Ky., Oct. 5.—The present drought in this county is unprecedented in recent years, and the oldest inhabitants say it is the worst since 1854. It is now more than two months since any rain fell. Fields and vegetation are parched. It is almost impossible to find any vegetable thing growing.

Indiana Postmasters.

WASHINGTON, Oct. 5.—Indiana postmasters were appointed yesterday as follows: Cedarville, Zachariah T. Garrett; Jassonville, J. S. Worley; Lanesville, Oscar Gresham; Maples, John W. Nail; Perkinsville, Reuben Neece; Stone's Crossing, John W. Fullen.

YELLOW FEVER.

Prospects Brightening at New Orleans--Other Points.

NEW ORLEANS, Oct. 5.—There was but a single death recorded in the office of the board of health yesterday and 22 new cases were reported. There are nearly 200 premises under surveillance in which yellow fever has been declared to exist and in some of the houses there are four or five cases, yet not a single one had proved fatal at last reports. The result is that the death rate has fallen to a trifling excess over 10 per cent and the prospects for an early stamping out of the disease has been considerably brightened.

There is no indication that the sickness will assume an epidemic form. All fear of that has disappeared and people who have families at other points are beginning to make arrangements to bring them back. Six days has passed since Ocean Springs has had any yellow fever. If the present immunity from disease continues until Friday of the current week, the board of health will officially declare the Mississippi resort free of fever.

Declined to Treat Yellow Fever Cases. VICKSBURG, Miss., Oct. 5.—Dr. Metcalf, of Natchez, has gone to take charge of the cases of yellow fever at Natchez. A message from Mr. C. H. Blum stated that the local physician declined to treat the disease, that Miss Thompson, one of the sick in his house, was sinking and that operator Smith, the depot agent, was sick and there are two suspicious cases. The state board of health ordered Dr. Metcalf to the scene. Blum's message also reported two suspicious cases, negroes, at Natchez. Excitement here is over and the town is free from suspicious cases.

Black Vomits at Edwards. JACKSON, Miss., Oct. 5.—The following report has been received from Dr. Dunn at Edwards, this state: "The situation here is fairly good, considering the circumstances. There have been reported 18 new cases, 7 whites and 11 colored; 10 cases seriously ill; 2 with black vomit; 2 deaths."

Has a Deserted Appearance. McHENRY, Miss., Oct. 5.—There was one new case here yesterday. The town presents a deserted appearance. An unsuccessful attempt was made by some unknown party to assassinate W. C. Wise, who is under arrest for violating quarantine regulations.

Still Spreading at Mobile. MOBILE, Oct. 5.—Seven new cases and one death was the report for yesterday. Total cases, 28; deaths, 14; discharged, 51; remaining under treatment, 28. Thirty-two persons went from here to the detention camp at Mount Vernon yesterday.

CHINESE FLOODS.

Sixty Villages Containing Eighty Thousand Inhabitants Destroyed. TAOMIA, Oct. 5.—The steamer Victoria brings news of the most disastrous floods that have visited China for many years. Sixty villages near Tung Chou, containing over 80,000 inhabitants, have been destroyed by floods and the people drowned or forced to flee.

There is no means of finding out how many thousands have been drowned, but the number is estimated by Chinese authorities at 15,000 to 20,000. The flooded district is within 12 miles of Peking, the capital of China.

NEBRASKA POPULISTS.

Antifusionists Postpone Their Convention Owing to Absence of Delegates.

LINCOLN, Neb., Oct. 5.—The antifusion Populists' state convention yesterday was almost a failure. Bohannan's hall was advertised as the place of meeting, but the convention was held in a private office, the purpose being, so it was announced, by the delegates, to outwit those favorable to fusion. After ascertaining the almost total absence of delegates from outside of this county it was voted to postpone the state convention, which means its abandonment.

Will Take Governor Tanner's Place.

CHICAGO, Oct. 5.—Mayor Carter H. Harrison and Secretary of the Treasury Lyman J. Gage, loyal Chicagoans, have leaped into the breach left by Governor Tanner, and will head the Prairie State delegation that will attend the Illinois day exercises at the Nashville exposition on Oct. 9.

Elected Democratic Mayors.

SOUTH NORWALK, Conn., Oct. 5.—South Norwalk and Norwalk elected Democratic mayors yesterday. South Norwalk by 26 majority and Norwalk by 28 majority.

Newspaper Office Burned.

GEORGETOWN, O., Oct. 5.—Fire here late yesterday destroyed the News Democrat office, loss \$10,000, fully insured. Several other buildings were burned making a total loss of \$50,000.

Weather.

Indiana and Illinois—Partly cloudy weather. Ohio—Fair followed by threatening weather near the lakes; warmer.

TELEGRAPHIC BRIEVITIES.

Destructive prairie fires are reported to be sweeping the Cherokee country. A Rome dispatch says all reports to the contrary, the health of the pope is excellent.

John R. Gentry and Robert J. Will start Thursday at Glens Falls, N. Y., in double team to beat the world's record.

The statement of the condition of the United States treasury shows: Available cash balance \$218,437,675. Gold reserve \$148,170,821.

Canadian custom officers at Tagish Lake have collected \$10,000 in duty from prospectors going over Skagway and Dyea trails to the Klondike.

The Argentine Republic congress has just passed a law imposing a tax of one centavo, gold, per ton register on vessels entering the port of Buenos Aires.

Interest in the forgerie case at Greenville, W. Va., in which Mrs. Governor Atkinson is defendant continues unabated. The defense asks a speedy trial and the state is securing half-day continuances.

CHANGED TACTICS.

Jury in the Luetgart Trial to Have a Rest From Lectures on Bonos.

CHICAGO, Oct. 5.—An unexpected turn of affairs occurred in the Luetgart trial during the afternoon session of court yesterday. The defense suddenly dropped its line of expert testimony and put on witnesses to impeach the evidence of witnesses for the state. It was apparent that ex-Judge Vincent, Chief counsel for the defense had at last tired of the expert evidence. For a list of bones had rattled before the jury and eminent experts had disputed about them. The controversy had become tiresome to the jury. The counsel for the defense observed this and stopped, at least for the present.

Ex-Judge Vincent, Attorney Phalen, Arnold Luetgart and others who are interested in the defense held a consultation relative to whether or not Luetgart should go on the witness stand. At the close of the conference last night Judge Vincent said he had not decided upon the matter. It was intimated that Luetgart might be called to the witness stand today. In fact, it is expected he will be. States Attorney Deen sought information upon this point but learned nothing. It is known that ex-Judge Vincent would rather that Luetgart remained off the witness stand. Attorney Phalen, his associate, desires that the big sausage-maker tell his story to the jury. Luetgart is anxious to explain matters, and the leading counsel for the defense seems to fear the prisoner will talk too much if he goes on the stand and thus injure his case.

WITH HIS OWN GUN.

Will Ravenscraft Is Shot Down at a Dance.

FALMOUTH, Ky., Oct. 5.—Will Ravenscraft, oldest son of S. L. Ravenscraft, a prominent politician in this county, was shot twice and mortally wounded with his own pistol.

At a dance at the house of Henry Doan, eight miles west of town, young Ravenscraft became involved in a quarrel with John Justice, and drew his pistol and fired one shot at Justice, missing him. Justice grabbed the pistol, and, wrenching it out of Ravenscraft's hand, shot him twice. One ball entered the abdomen and the other the hip.

Justice is in jail. John Ford was also arrested he having told Justice to shoot Ravenscraft, it is said. Ravenscraft is not over 18 years of age, while Justice and Ford are both about 40 years of age.

FEAR A RIOT.

Troops Asked For to Prevent a Conflict of Miners at Edwardsville.

EDWARDSVILLE, Ill., Oct. 5.—Troops were called for yesterday to check what appeared like an inevitable conflict at the coal mines. Strikers organized and made open threats to use force in preventing a resumption of work. When it became known that strikers were marching from neighboring points the officials called on the state authorities for the militia. The mines are strongly guarded, but the sheriff's force is not adequate to cope with the strikers in case an attack is made.

The day passed without an outbreak, but trouble is expected when the militia men go to work. Several companies of militia have been ordered to be in readiness to move at a moment's notice.

DIXON-SMITH FIGHT.

The Colored Man Defeated in a Twenty Round Contest.

SAN FRANCISCO, Oct. 5.—Solly Smith of Los Angeles was given the decision over George Dixon of Boston in a 20-round fight last night. The match was virtually for the championship of the featherweight class and Smith is now at the top.

Smith, who has greatly improved since he met Dixon had all the better of the in-fighting, using his right with great effect both on the body and head. He was cool throughout the fight and came out without a mark of any kind. His blocking and ducking of Dixon's leads were the features of the fight.

Swallowed Strychnine.

JOLIET, Ill., Oct. 5.—Cyrus Robb, a farmer 50 years old, committed suicide near here by taking strychnine. He leaves a widow and three children. No cause is assigned for the act.

DESTROYED BY FIRE

Every House But Five Burned to the Ground at Austin, Pa.

EMBEZZLEMENT OF \$183,236.15

Serious Charge Brought Against a Cleveland Broker—Six People Killed and One Injured in a Railroad Crossing Accident—Illinois Farmer Suicides with Strychnine.

AUSTIN, Pa., Oct. 5.—Fire broke out late yesterday afternoon in Weed's livery barn on Turner street. In five hours' time every building in town but five was burned to the ground. Turner street was the principal residence street of the town and probably 500 people last night were homeless. The fire was started by a load of hay being run into a gasjet. In all about 100 buildings were burned, mostly residences, among the larger losses being the Methodist church, Presbyterian church, opera house, Welch's meat market, Hellwig's drug store, Gallup's livery and Weed's livery. The loss is placed by insurance experts at from \$150,000 to \$200,000.

SIX KILLED.

Terrible Loss of Life at a Crossing of a Railroad.

WILLOW SPRINGS, Mo., Oct. 5.—A passenger train on the Kansas City, Fort Scott and Memphis railroad ran into a wagon containing seven persons at Dead Man's cut, three miles north of here, yesterday, instantly killing six and fatally injuring the other one. The killed were:

PHILIP L. WOOTEN.
PHILIP WOOTEN, JR.
AMANDA WOOTEN.
DORA WOOTEN.
MRS. FRANCIS MALBREY.
INFANT CHILD, 14 months old.
Mrs. Philip Wooten is so badly injured she cannot live.
The train was stopped and the dead and injured were brought here. Conductor Hallaway says proper signals for crossings were given, but they were not heard. The crossing is considered one of the most dangerous in the country, being a curve and a heavy grade.

SERIOUS CHARGE.

Cleveland Broker Arrested for Alleged Embezzlement of \$183,236.

CLEVELAND, Oct. 5.—John J. Shipherd, who has for several years been prominent as an investment broker and street railway promoter was arrested yesterday on the charge of embezzlement. He was released on \$10,000 bail. The warrant was issued at the instance of Frank De Hass Robinson, and the charge grew out of the business dealings of Shipherd and Robinson, who have been closely associated for several years in street railway enterprises in this city and elsewhere. The warrant distinctly charges that Shipherd embezzled \$183,236.15 of the personal property of Robinson, in addition to 112 street railway bonds of the value of \$95,300.

FERRITER'S TRIAL.

Murderer of Policeman Ware Before a Jury at Martinsville.

MARTINSVILLE, Ind., Oct. 5.—The trial of John Ferriter, who murdered Policeman Ware at Indianapolis on the 27th of April last, was begun here yesterday before Judge G. W. Grubb, on a change of venue from Marion county. The state is represented by Prosecutor Wiltse of Indianapolis and the defense by Griffith & Potts of the same city and M. A. Baine of this city. Both sides were ready for trial and the selection of a jury began from a special venire of 21 of the best farmers in the county. Ferriter's plea is self-defense, while the state charges cold blooded murder.

Swallowed Strychnine.

JOLIET, Ill., Oct. 5.—Cyrus Robb, a farmer 50 years old, committed suicide near here by taking strychnine. He leaves a widow and three children. No cause is assigned for the act.

TEMPLE CUP SERIES.

Big League Champions Take the First Game From Baltimore.

BOSTON, Oct. 5.—The new champions took the first game for the Temple cup yesterday, defeating Baltimore in a close contest more through a combination of lucky hits and daring base running, assisted by darkness in the last two innings, than by any great superiority of play. Neither team showed championship form, while the work of the home team was at times very much below the mark. The Orioles batted Nichols out of the box and would have given Lewis a similar dose if they could have seen the ball in the last two innings. As it was the game ended in the moonlight, the umpires keeping the players at it until sometime after sundown. Attendance 10,000. Score:

Boston..... 3 0 0 1 2 5 0 —13 12 4
Baltimore..... 4 0 1 0 2 3 2 0 —12 20 4

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided.

To find out correctly, set your urine aside for twenty-four hours; sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp Root, the great kidney, and bladder remedy is soon realized. If you need any medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, bottled free by mail. Mention the REPUBLICAN and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee its genuineness of this offer.

If you eat what you like, and digest it, you will surely be strong and healthy.

But if you don't digest it, you might almost as well not eat, for what good can your food do you if it don't nourish you?

If you find that you can't digest it there is a simple help for your stomach.

It is Shaker Digestive Cordial, made by the Shakers of Mount Lebanon. It has never failed to cure the worst case of indigestion.

Strength and health come from the food you eat, after it has been digested and has gone into the blood.

The best tonic is digested food. The best aid to digestion, Shaker Digestive Cordial.

When you have acid eructations, nausea, headache, wind, dizziness, offensive breath, or any other symptoms of dyspepsia, Shaker Digestive Cordial will cure you.

INQUISITIVE SPARROWS.

They May Have Been Hostile, but They Didn't Dare Attack the Cockatoo.

There was trouble and to spare one day last week in a back yard on Brooklyn Heights. The cause of it was an innocent cockatoo which had flown away from home and found its way to the top of a tree near State street, between Henry street and Garden place. Where the strange bird came from there is nobody to tell.

It was first discovered by the large and noisy colony of English sparrows which inhabits that vicinity. The first sparrow to see the foreigner lost no time in communicating the news of its discovery to its mates, and in three minutes no less than 50 sparrows had assembled to examine the strange visitor and exchange views about him. They took places on all sides of the cockatoo and began a chattering which soon attracted attention from all the neighboring windows. They hopped about from branch to branch, but never approached nearer than a yard to the puzzled stranger. For a time the cockatoo viewed the conclave about him with serenity, but the strain became too much for him, and finally found expression in a series of the most penetrating screeches, accompanied by the elevation of his light green plume, which had previously been partly concealed in his fluffy, snow white feathers. This demonstration added threefold to the wonderment and fright of the sparrows and increased the volume of their chattering in like proportion.

But the unwelcome foreigner soon found that the chattering was harmless, and that the saucy sparrows lacked the courage to make an attack. Finding himself surrounded on all sides by the little nuisances, he gradually worked his way through one side of the circle and out on the end of a branch, where he perched contentedly and viewed his tormentors with the calmest indifference. Having found that the intruder would neither take nor give offense, the sparrows one by one flew away, leaving the cockatoo to take a nap in peace and quiet.

Meanwhile the cat colony of the back yards had been aroused by the unusual activity of the feathered tribe, and there had been a gradual concentration of the feline forces near the base of the tree which formed the cockatoo's perch. This meant a cat fight as sure as preaching, and it was not long before the hostilities broke out. Then the dogs had their turn, and the cats disappeared, but to the last the cockatoo sat unruffled in his feathers in the tree top.—New York Sun.

AN ABLE PRACTICAL JOKE.

Created Considerable Excitement in a University City.

The Cambridge (England) Independent Press retells the story of the hoax perpetrated upon the civic and university authorities at Cambridge on the occasion of the visit of the late shah of Persia to that country. It was on Saturday, June 28, 1873, at 11 o'clock in the forenoon, that a telegram was found lying on the hallkeeper's table in the Guildhall. It was directed to the worshipful the mayor of Cambridge, was signed by Lieutenant Colonel Hamilton and read as follows:

"His imperial majesty the shah of Persia desires to visit your university town today en route for London by special, arriving at Cambridge station about 1:10 o'clock. Be prepared with escort and reception as far as time allows."

Instantly everybody began tumbling over his fellow. The town clerk was sent for, and messages were dispatched to the vice chancellor, the members of the corporation, the volunteer officers and the cook of St. Peter's college kitchen. The vice chancellor hurried on his robes, the aldermen and councilors did ditto, the volunteers donned their uniforms, and the cook began to boil and fry.

Nor were the general public behind-hand. Flags were hung out and crowds gathered in the street. Dr. Cookson, the vice chancellor (irreverently known in those days as "Dismal Jimmy"), made his way to the station as fast as his dignity would permit. The mayor, Mr. T. H. Naylor, and the corporation followed suit. A guard of honor and carriages were in waiting, and soon everybody was there except the shah. Then the news flew round that the railway officials knew nothing about the special train, and after a brief delay it was apparent that the whole thing was a hoax. The perpetrators of the hoax were never discovered, though two persons were afterward freely mentioned in connection with it. In the year of grace 1873 the era of practical jokes was past, but had the authors of the shah's visit been alive in the days of Theodore Hook they might have lived in literature.

Authorities at Washington Pleased
With the Sagasta Cabinet.

EFFECT ON CUBAN PRISONERS

State Department Reticent, but It Is Said
Spain Will Offer Autonomy to Cuba
Similar to That of Canada—Mendez
Capote, the New Cuban President, Favors
Compromise.

WASHINGTON, Oct. 5.—One result of the formation of a Sagasta cabinet in Spain, it is believed, will be the granting of amnesty to most, if not all, the American prisoners held in Cuba and the pardon of many Cubans condemned to imprisonment in the Island of Ceuta. Pending the completion of the Sagasta cabinet there have been no official information that such action will be taken, but it is said to be a natural and necessary part of the new Spanish policy involving the withdrawal of General Weyler and the adoption of more conciliatory plans. The Competitor prisoners, it is expected, will be released early and Miss Cisneros also.

Although there is continued reticence at the state department concerning Spanish-Cuban affairs it is under-

PREMIER SAGASTA.

stood that the government has been informed that Spain will offer autonomy to Cuba similar to that enjoyed by Canada, and in administration circles the prevalent opinion seems to be that if a full measure of real autonomy is offered it should be accepted by the Cubans. The incoming of the Sagasta cabinet, which several weeks ago was apprehensive of a possible early disturbance of our friendly relations with Spain.

The statement attributed to the new premier that he would favor the largest measure of autonomy, has directed attention to the past efforts toward autonomy. Those offered by the Conversation cabinet, and made known to the United States through the Spanish Minister, contemplated a council of administration, elected in part by the Cubans, which was to have an advisory power in shaping the affairs of the island. The objection found to this plan was that while it was in name autonomy, it did not give real home rule, as the Cuban council was not to be a legislative body, but merely an advisory council.

In contrast with this, it is said, that the Liberal plan of autonomy contemplates a colonial parliament or legislature, with final powers of law making, save the usual power of veto reserved in all forms of constitutional government. This would be on the lines of the home rule operating in Australia and Canada. In this connection it is understood that the newly chosen president of the insurgents, Mendez Capote, is a man of conservative tendencies, and during a visit to Washington some months ago is said to have expressed views favorable to a close of hostilities on some fair basis of compromise.

New Spanish Ministry.

MADRID, Oct. 5.—The new ministry is constituted as follows: Senor Sagasta, president of the council of ministers; Senor Gullon, minister for foreign affairs; Senor Grotzard, minister of justice; General Correa, minister of war; Admiral Bermejo, minister of marine; Senor Puigeciver, minister of finance; Senor Capdepon, minister of the interior; Count Xiguenta, minister of public work; Senor Moret, minister for the colonies. The ministry, after an informal meeting, proceeded to the palace and took the oath of office.

WAR NO BUCKETSHOPS.

Dayton Police Ordered to Close Them.
Operator Will Fight.

DAYTON, O., Oct. 5.—Chief of Police Farrell has declared war against bucketshops in this city and announced that all places that are not in direct communication with the Chicago board of trade must go. There is but one shop of that kind here. The four other establishments claim to act as agents for Cincinnati brokers and insist that their business is legitimate. They have announced their determination not to close. J. E. Johnson, one of the proprietors, flatly told the chief that if compelled to quit business he intended to wipe out all other forms of gambling in the city. In consequence pokerplayers, crapsshooters and policy men are in a perturbed state, for Mr. Johnson is known to be an ugly fighter.

Worst In Forty-Three Years.

NICHOLASVILLE, Ky., Oct. 5.—The present drought in this county is unprecedented in recent years, and the oldest inhabitants say it is the worst since 1854. It is now more than two months since any rain fell. Fields and vegetation are parched. It is almost impossible to find any vegetable thing growing.

Indiana Postmasters.

WASHINGTON, Oct. 5.—Indiana postmasters were appointed yesterday as follows: Cedarville, Zachariah T. Garrett; Jasonville, J. S. Worley; Lanesville, Oscar Gresham; Maples, John W. Nail; Perkinsville, Reuben Neese; Stone's Crossing, John W. Fullen.

YELLOW FEVER.

Prospects Brightening at New Orleans—Other Points.

NEW ORLEANS, Oct. 5.—There was but a single death recorded in the office of the board of health yesterday and 22 new cases were reported. There are nearly 200 premises under surveillance in which yellow fever has been declared to exist and in some of the houses there are four or five cases, yet not a single one had proved fatal at last reports. The result is that the death rate has fallen to a trifling excess over 10 per cent and the prospects for an early stamping out of the disease has been considerably brightened.

There is no indication that the sickness will assume an epidemic form. All fear of that has disappeared and people who have families at other points are beginning to make arrangements to bring them back. Six days has passed since Ocean Springs has had any yellow fever. If the present immunity from disease continues until Friday of the current week, the board of health will officially declare the Mississippi resort free of fever.

Declined to Treat Yellow Fever Cases.
VICKSBURG, Miss., Oct. 5.—Dr. Metcalf, of Natchez, has gone to take charge of the cases of yellow fever at Natchez. A message from Mr. C. H. Blum stated that the local physician declined to treat the disease, that Miss Thompson, one of the sick in his house, was sinking and that operator Smith, the depot agent, was sick and there are two suspicious cases. The state board of health ordered Dr. Metcalf to the scene. Blum's message also reported two suspicious cases, negroes, at Natchez. Excitement here is over and the town is free from suspicious cases.

Black Vomits at Edwards.
JACKSON, Miss., Oct. 5.—The following report has been received from Dr. Dunn at Edwards, this state: "The situation here is fairly good, considering the circumstances. There have been reported 18 new cases, 7 whites and 11 colored; 10 cases seriously ill; 2 with black vomit; 2 deaths."

Has a Deserted Appearance.
MCHEERY, Miss., Oct. 5.—There was one new case here yesterday. The town presents a deserted appearance. An unsuccessful attempt was made by one unknown party to assassinate W. C. Wise, who is under arrest for violating quarantine regulations.

Still Spreading at Mobile.
MOBILE, Oct. 5.—Seven new cases and one death was the report for yesterday. Total cases, 93; deaths, 14; discharged, 51; remaining under treatment, 28. Thirty-two persons went from here to the detention camp at Mount Vernon yesterday.

CHINESE FLOODS.
Sixty Villages Containing Eighty Thousand Inhabitants Destroyed.

TACOMA, Oct. 5.—The steamer Victoria brings news of the most disastrous floods that have visited China for many years. Sixty villages near Tung Chou, containing over 80,000 inhabitants, have been destroyed by floods and the people drowned or forced to flee.

There is no means of finding out how many thousands have been drowned, but the number is estimated by Chinese authorities at 15,000 to 20,000. The flooded district is within 12 miles of Peking, the capital of China.

NEBRASKA POPULISTS.
Antisocialists Postpone Their Convention Owing to Absence of Delegates.

LINCOLN, Neb., Oct. 5.—The anti-fusion Populists' state convention yesterday was almost a failure. Bohannan's hall was advertised as the place of meeting, but the convention was held in a private office, the purpose being, so it was announced, by the delegates, to outwit those favorable to fusion. After ascertaining the almost total absence of delegates from outside of this county it was voted to postpone the state convention, which means its abandonment.

Will Take Governor Tamm's Place.
CHICAGO, Oct. 5.—Mayor Carter H. Harrison and Secretary of the Treasury Lyman J. Gage, loyal Chicagoans, have leaped into the breach left by Governor Tamm, and will head the Prairie State delegation that will attend the Illinois state exercises at the Nashville exposition on Oct. 9.

Elected Democratic Mayors.
SOUTH NORWALK, Conn., Oct. 5.—South Norwalk and Norwalk elected Democratic mayors yesterday. South Norwalk by 26 majority and Norwalk by 28 majority.

Newspaper Office Burned.
GEORGETOWN, O., Oct. 5.—Fire here late yesterday destroyed the News Democrat office, loss \$10,000, fully insured. Several other buildings were burned making a total loss of \$50,000.

The Argentine Republic congress has just passed a law imposing a tax of one centavo, gold, per ton register on vessels entering the port of Buenos Ayres.

Interest in the forgery case at Glenville, W. Va., in which Mrs. Governor Atkinson is defendant continues unabated. The defense asks a speedy trial and the state is securing half-day continuances.

CHANGED TACTICS.

Jury in the Luetgert Trial to Have a Rest From Lectures on Bonas.

CHICAGO, Oct. 5.—An unexpected turn of affairs occurred in the Luetgert trial during the afternoon session of court yesterday. The defense suddenly dropped its line of expert testimony and put on witnesses to impeach the evidence of witnesses for the state. It was apparent that ex-Judge Vincent, Chief counsel for the defense had at last tired of the expert evidence. For a week bones had rattled before the jury and eminent experts had disputed about them. The controversy had become tiresome to the jury. The counsel for the defense observed this and stopped, at least for the present.

Ex-Judge Vincent, Attorney Phalen, Arnold Luetgert and others who are interested in the defense held a consultation relative to whether or not Luetgert should go on the witness stand. At the close of the conference last night Judge Vincent said he had not decided upon the matter. It was intimated that Luetgert might be called to the witness stand today. In fact, it is expected he will be. States Attorney Deneen sought information upon this point but learned nothing. It is known that ex-Judge Vincent would rather that Luetgert remained off the witness stand. Attorney Phalen, his associate, desires that the big sausage-maker tell his story to the jury. Luetgert is anxious to explain matters, and the leading counsel for the defense seems to fear the prisoner will talk too much if he goes on the stand and thus injure his case.

WITH HIS OWN GUN.

Will Ravenscraft Is Shot Down at a Dance.

FALMOUTH, Ky., Oct. 5.—Will Ravenscraft, oldest son of S. L. Ravenscraft, a prominent politician in this county, was shot twice and mortally wounded with his own pistol.

At a dance at the house of Henry Doan, eight miles west of town, young Ravenscraft became involved in a quarrel with John Justice, and drew his pistol and fired one shot at Justice, missing him. Justice grabbed the pistol, and, wrenching it out of Ravenscraft's hand, shot him twice. One ball entered the abdomen and the other the hip.

Justice is in jail. John Ford was also arrested having told Justice to shoot Ravenscraft, it is said. Ravenscraft is not over 18 years of age, while Justice and Ford are both about 40 years of age.

FEAR A RIOT.

Troops Asked For to Prevent a Conflict of Miners at Edwardsville.

EDWARDSVILLE, Ill., Oct. 5.—Troops were called for yesterday to check what appeared like an inevitable conflict at the coal mines. Strikers organized and made open threats to use force in preventing a resumption of work. When it became known that strikers were marching from neighboring points the officials called on the state authorities for the militia. The mines are strongly guarded, but the sheriff's force is not adequate to cope with the strikers in case an attack is made.

The day passed without an outbreak, but trouble is expected when the non-union men go to work. Several companies of militia have been ordered to be in readiness to move at a moment's notice.

DIXON-SMITH FIGHT.

The Colored Man Defeated In a Twenty Round Contest.

SAN FRANCISCO, Oct. 5.—Solly Smith of Los Angeles was given the decision over George Dixon of Boston in a 20-round fight last night. The match was virtually for the championship of the featherweight class and Smith is now at the top.

Smith, who has greatly improved since he met Dixon had all the better of the in-fighting, using his right with great effect both on the body and head. He was cool throughout the fight and came out without a mark of any kind. His blocking and ducking of Dixon's leads were the features of the fight.

TEMPLE CUP SERIES.
Big League Champions Take the First Game From Baltimore.

BOSTON, Oct. 5.—The new champions took the first game for the Temple cup yesterday, defeating Baltimore in a close contest more through a combination of lucky hits and daring base running, assisted by darkness in the last two innings, than by any great superiority of play. Neither team showed championship form, while the work of the home team was at times very much below the mark. The Orioles batted Nichols out of the box and would have given Lewis a similar dose if they could have seen the ball in the last two innings. As it was the game ended in the moonlight, the umpires keeping the players at it until sometime after sundown. Attendance 10,000. Score:

DESTROYED BY FIRE

Every House But Five Burned to the Ground at Austin, Pa.

EMBEZZLEMENT OF \$183,236.15

Serious Charge Brought Against a Cleveland Broker—Six People Killed and One Injured in a Railroad Crossing Accident—Illinois Farmer Suicides with Strychnine.

AUSTIN, Pa., Oct. 5.—Fire broke out late yesterday afternoon in Weed's livery barn on Turner street. In five hours' time every building in town but five was burned to the ground. Turner street was the principal residence street of the town and probably 500 people last night were homeless. The fire was started by a load of hay being run into a gasjet. In all about 100 buildings were burned, mostly residences, among the larger losses being the Methodist church, Presbyterian church, opera house, Welch's meat market, Hellwig's drug store, Gallup's livery and Weed's livery. The loss is placed by insurance experts at \$150,000 to \$200,000.

SIX KILLED.

Terrible Loss of Life at a Crossing of a Railroad.

WILLOW SPRINGS, Mo., Oct. 5.—A passenger train on the Kansas City, Fort Scott and Memphis railroad ran into a wagon containing seven persons at Dead Man's cut, three miles north of here, yesterday, instantly killing six and fatally injuring the other one. The killed were:

DONA WOOTEN.
MRS. FRANCES MALLBRY.
INFANT CHILD, 4 months old.
Mrs. Philip Wooten is so badly injured she cannot live.

The train was stopped and the dead and injured were brought here. Conductor Hallaway says proper signals for crossings were given, but they were not local. The crossing is considered one of the most dangerous in the country, being a curve and a heavy grade.

SERIOUS CHARGE.

CLEVELAND, Oct. 5.—John J. Shipherd, who has for several years been prominent as an investment broker and street railway promoter was arrested yesterday on the charge of embezzlement. He was released on \$10,000 bail.

The warrant was issued at the instance of Frank De Hass Robinson, and the charge grew out of the business dealings of Shipherd and Robinson, who have been closely associated for several years in street railway enterprises in this city and elsewhere. The warrant distinctly charges that Shipherd embezzled \$183,236.15 of the personal property of Robinson, in addition to 112 street railway bonds of the value of \$85,300.

FERRITER'S TRIAL.

MARTINSVILLE, Ind., Oct. 5.—The trial of John Ferriter, who murdered Policeman Ware at Indianapolis on the 27th of April last, was begun here yesterday before Judge G. W. Grubbs, on a change of venue from Marion county. The state is represented by Prosecutor Wiltzie of Indianapolis and the defense by Griffith & Potts of the same city. Both sides were ready for trial and the selection of a jury began from a special venire of 21 of the best farmers in the county. Ferriter pleads self-defense, while the state charges cold blooded murder.

Sick Headache.

Neuralgia and Extreme Nervousness.

EVER since I was eighteen years old until I learned of Dr. Miles' Restorative Remedies, I suffered from sick headache and extreme nervousness and dyspepsia. In time heart disease developed. I was treated by several doctors with no relief. Severe palpitation with pain in left breast, shortness of breath, and smothering spells made me most miserable. I procured Dr. Miles' Restorative Nervine and New Heart Cure and took them alternately as directed. Improvement began at once and increased so rapidly that inside of six months I increased thirty six pounds in weight. All pain in the heart is gone, and the nervousness has wholly left me.
